

1.5.14.3 Crisis Stabilization Services (Both Adult and Child) Access Improvement Plan for Clients with Co-Occurring Disorders
Incentive: ½ of 1% of the State General Funds allocated per contract for Crisis Stabilization Services
<i>Rationale:</i> <p>To improve access to the Crisis Stabilization Programs/Units, the Regional Mental Health and Mental Retardation Board shall provide an evaluation of the “plan to improve access” to the crisis stabilization programs/units for clients with co-occurring (mental health, mental retardation, acquired brain injury and/or substance abuse) diagnoses who present with a psychiatric crisis. This plan was originally submitted during SFY06. This evaluation shall include, at a minimum, a quantitative analysis of the progress of this plan, timelines for continued improvement; as well as a revised/updated plan for SFY07.</p>
<i>Requirement:</i> <p>The Regional Mental Health and Mental Retardation Board shall:</p> <ol style="list-style-type: none"> (1) By September 1, 2006, submit to DMHMRS an evaluation of the SFY06 plan to improve access to crisis stabilization programs/units for clients with co-occurring (mental health, mental retardation, acquired brain injury and/or substance abuse) diagnoses who present with a psychiatric crisis. The <u>DMHMRS Crisis Stabilization Services Access Improvement Plan Report</u> must be utilized to report this information. (2) By October 31, 2006, submit to DMHMRS the SFY07 plan to address improving access to crisis stabilization programs/units for clients with co-occurring (mental health, mental retardation, acquired brain injury and/or substance abuse) diagnoses who present with a psychiatric crisis. The <u>DMHMRS Crisis Stabilization Services Access Improvement Plan Report</u> must be utilized to report this information. <p>The DMHMRS shall provide feedback and final approval of the plan by March 31, 2007.</p>
<i>Indicator:</i> <p>Evaluation of the SFY06 plan to improve access to crisis stabilization programs/units for clients with co-occurring diagnoses is submitted to DMHMRS by September 1, 2006. SFY07 plan to improve access to crisis stabilization programs/units for clients with co-occurring diagnoses is submitted to DMHMRS by October 31, 2006.</p>
<i>Documentation:</i> <p>Written documentation of plan and quantitative indicators of progress towards increasing access to crisis stabilization programs/units. <u>Must use the DMHMRS prescribed format to document this information.</u></p>
<i>Incentive Breakdown:</i> <p>¼ of 1% for timely submission of the evaluation of SFY06 plan. ¼ of 1% for timely submission of the SFY07 plan. Late (in excess of 10 days past due date) or non-submissions = 0% of incentive</p>
